

FLOW

**CLERKENWELL
DESIGN WEEK**

21-23 MAY 2019

During Clerkenwell Design Week 2019 Shaw Contract will explore the way people interact and move within spaces under the collaborative theme of FLOW.

To help bring our interpretation of FLOW to life we are delighted to be working with Brighton-based wavy artist and designer Lois O'Hara and dynamic design duo Abi and Rupert Meats of RUDE Design.

Join us as we delve deeper into the way colour and texture impact our experience of spaces through a series of inspiring installations and talks, creative workshops and innovative product displays.
