AN HOMAGE TO THE HAND THAT SHAPES, STITCHES AND CRAFTS.

We're also proud to have a hand in giving back. One percent of the sales of Homage will go to Public Architecture's The 1%. The not-for-profit program encourages architecture and design professionals to donate 1% of their time to works that serve the public good. Visit www.theonepercent.org to learn more.

The hand that **shapes, stitches, crafts**, and otherwise transforms a cold, hard world into a reflection of the warmth of the human spirit. In praise of the hand and the artisan behind it, **we created Homage**. Made of Eco Solution Q® fiber and EcoWorx® backing, the collection is **fully cradle-to-cradle** and coordinates beautifully with our new and luxurious Wool collection. Homage is a tribute to process and product, art and craft, man and machine. **All in agreement, please raise your hand.**
