design is provocative

Before it answers questions—it has to raise a few. Is a designer's primary purpose to create beauty, to elicit a reaction, or to enhance function? Does carpet limit opportunities, or create them?

Dressed to Kill answers your questions as it challenges you to consider many more possibilities.

colorways

muse 27110

mink 27761

sultry 27803

lacquer 27500

This color palette is available for bloom plush, shadow plush, float plush and swirl plush styles. Above images are graphic representations of carpet to show color and pattern.
